Book #1 – Astrology Signs

Whether or not you think astrology is a bunch of “hoopla,” many people believe that (insert ethereal music here) *the stars control our destinies*. I want you to spend a few minutes reading brief descriptions of the astrological signs. After you’ve acquainted yourself with what characteristics are supposed to embody a person who was born under that particular sign, I want you to figure out which signs you *think* three of the main characters from your book were born under. Write an explanation of why you think they fit the sign, drawing on their actions, attitudes, and thoughts from the book. Remember to offer a **quality** response showing your understanding of the characters in your book.
